**FROM PASTOR'S DESK**

This leper did something quite remarkable. He approached Jesus confidently and humbly, expecting that Jesus could and would heal him. Jesus met the man’s misery with compassion and tender kindness. He communicated the love and mercy of God in a sign that spoke more eloquently than words. He touched the man and made him clean - not only physically but spiritually as well. How do you approach those who are difficult to love, or who are shunned by others because they are deformed or have some defect? Do you show them kindness and offer them mercy and help as Jesus did?
