**FROM PASTOR'S DESK**

Jesus' disciples freely brought their troubles to him because they found him ready and able to deal with any difficulty, affliction, or sickness which they encountered. When Simon brought Jesus to his home, his mother-in-law was instantly healed because Jesus heard Simon's prayer. Approach the Lord with expectant faith. God's healing power restores us not only to health but to active service and care of others. There is no trouble he does not want to help us with and there is no bondage he can't set us free from. Do you allow Jesus to be the Lord and healer in your personal life, family, and community?
