FROM PASTOR'S DESK

Faith is both a free gift of God and the free assent of our will to the whole truth that God has revealed. To live, grow, and persevere in the faith to the end, we must nourish it with the word of God. If we approach God's word with trust and submission, and with an eagerness to do what the Lord desires for us, then we are in a much better position to learn what God wants to teach us through his word. Are you eager to be taught by the Lord and to conform your mind, heart, attitude, and intentions according to his word of truth, goodness, and love?
